

SMART Board

What do you need?

- SMART Board
- Projector
- Computer

What can you do?

- Use SMART Board pens to write on websites and documents
- Use SMART Board with any interactive software that you are already using
- Use SMART Board for whole class interactive activities on the Internet
- Use SMART Board's built-in Notebook software (including gallery, attachments, hyperlinks)

SMART Board site: <http://www.smarttech.com/>

Use [NetTrekker](#) to locate interactive games (Link is located on the Curriculum & Instruction website):

1. Click on your grade level (elementary, middle, high)
2. Type a keyword in the *Search* field (or do a drill-down search)
3. Click on the tab that says *Learning games*.

Search for interactive elementary sites in **Subject Area** section of:
